Subject : ACADEMIC SENATE RESOLUTION ON
FACULTY WORKLOAD (AS-225-86/EX)

This will acknowledge your memo of August 21 with which you transmitted the resolution adopted by the Academic Senate on August 5 on Faculty Workload. As I have commented to you in a separate memo dealing with the resolution adopted by the Academic Senate on Faculty Early Retirement Program, it is not appropriate for me to respond to this resolution. While it is appropriate for the Academic Senate to be concerned, as am I, with provisions under which opportunities for professional development are provided and to express those concerns, I think that there is a very fine but critical line between expressions of concerns regarding professional development opportunities and the very specific language regarding workload which is an issue within the scope of collective bargaining.
